

A photograph showing the silhouettes of several fishers standing on wooden stilts in the ocean. They are holding long fishing poles. The background is a bright, hazy sunset or sunrise, with the sun low on the horizon, creating a warm, golden glow. The water is dark and reflects the light from the sky.

SRI LANKA

Sri Lanka (formerly Ceylon) is an island nation south of India in the Indian Ocean. Its diverse landscapes range from rainforest and arid plains to highlands and sandy beaches. It's famed for its ancient Buddhist ruins, including the 5th-century citadel Sigiriya, with its palace and frescoes.

National
Emblem

National Gem is Blue Sapphire

National Flower is Water Lily

Sri Lankan Rupees

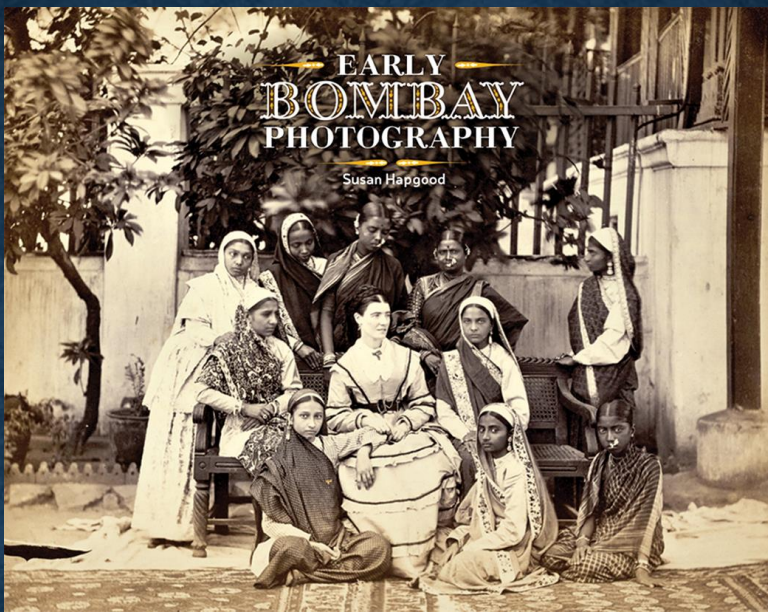

Our National Sport is Volley
Ball

Our National Animal is
Junglefowl

HISTORY OF SRI LANKA

- Sri Lanka's documented history spans 3,000 years, with evidence of pre-historic human settlements dating back to at least 125,000 years. Its geographic location and deep harbors made it of great strategic importance from the time of the ancient Silk Road through to the modern Maritime Silk Road.
- Sri Lanka has a rich cultural heritage. The first known Buddhist writings of Sri Lanka, the Pāli Canon, date back to the Fourth Buddhist council in 29 BC. It is also famed as being the island in the traditional Indian epics Ramayana and the Mahabharata, and its famed bridge's ruins can supposedly still be seen today.
- Sri Lanka was known from the beginning of British colonial rule until 1972 as Ceylon. Its recent history has been marred by a thirty-year civil war which decisively ended when the Sri Lankan military defeated the Liberation Tigers of Tamil Eelam (LTTE) in 2009.

EDUCATION

- We have free education from the kindergarten to the university studies since Sri Lanka is a welfare state.
- We have International schools and private universities as well.
- Sri Lankan government school students are suppose to wear a uniform.
- We have girls' schools, boys' schools, mix schools and convents.

STUDENTS

ISSUES IN SRI LANKA

- Poverty
- Politics
- The struggle between government universities and private universities.
- Weather
- Dengue

POVERTY

POLITICS 😞

OUR POLITICAL SYSTEM IS VERY BAD...

STRUGGLE BETWEEN UNIVERSITY STUDENTS.

WEATHER DISASTERS

Tsunami is the biggest disaster we got in Sri Lanka in 2005. A tsunami or tidal wave, also known as a seismic sea wave, is a series of waves in a water body caused by the displacement of a large volume of water, generally in an ocean or a large lake.
